Habitat Restoration Field Technician, San Diego

Req: 23-03

RECON Environmental is a small company of specialists representing one of the most established environmental consulting service firms in the Southwest. We are employee-owned and hard-working, but with a casual and collaborative work environment. We offer the right candidate a team-oriented, caring environment that is client-focused, flexible, and always striving to provide high-quality service to our clients.

- Planting, hand-weeding, trash clearing, raking, salvaging of plant material trenching and erosion control, hauling rocks, and any other miscellaneous construction work.
- Must be able to stoop, stand and bend for extended periods of time and work on uneven and/or difficult terrain in environments of fluctuating temperatures.
- Must be able to lift 50 pounds and be able to use required equipment such as line trimmers, spray equipment, etc.
- Knowledge of California native plants is highly desirable although not required (training will be provided if necessary to applicants willing and eager to acquire plant identification skills).

Salary Range: \$16.30 – \$17.75 per hour

No need to drive to the job site(s). All employees are picked up/returned to San Ysidro Trolley station and driven to the job site(s).

RECON is an employee-owned firm providing employees with a vested interest in the firm's success through our Employee Stock Ownership Plan (ESOP). In addition to the ESOP, RECON offers a competitive compensation and benefits package that includes paid time off, holidays, sick leave, medical and dental coverage (HMO and PPO), life insurance, long-term disability, flexible spending accounts, a 401(k) profit sharing plan, and a casual and friendly work environment.

RECON Environmental Inc. is an EOE/Minority/Female/Disability/Vets.
